THE EMBLEM

Official Publication, County of Allegheny, Lodge 91
 Fraternal Order of Police

VOL. XXXV, No 1

March 2007

President's Message

Our lodge will once again award four \$500.00 grants to children or stepchildren of Lodge 91 members.

The grants are to be used for college or trade school attendance. Applicants who are to receive an award must provide proof of acceptance that they will be attending college or trade school during this year but they may apply prior to graduation from high school or its equivalent.

The parent of the applicant must be a Lodge 91 member in good standing and have their dues paid at least 90 days prior to the submission of the application.

An application for a grant is enclosed in this newsletter. Members seeking financial aid consideration must submit a separate official application for each child applying.

Send the application(s) to: Floyd M. Nevling, Fraternal Order of Police, 253 Dutch Lane, Pittsburgh, PA 15236. Applications are to be submitted to Brother Nevling prior to June 1.

In order to be fair to all of our members, grants are determined by an impartial drawing held during the lodge's annual Kennywood picnic. I will announce the winners at that time. Attendance at the picnic is not required.

One of our own has taken up the challenge and seeks our support. Retired Philadelphia Officer Seamus McCaffery,

that right, Judge McCaffery is running for a seat on the Pennsylvania Supreme Court. He has earned my personal support and respect and my family and I are supporting his election. I would hope that all my brothers and sisters would consider supporting Judge McCaffery this May 15, 2007. Please check his web site and qualifications at www.judgeseamus.com Judge McCaffery requests our help in electing another fine man, Judge John Younge to the Pennsylvania Superior Court. Both Judge McCaffery and Judge Younge embody many of our personal ideals and goals. It does the system well to have both these fine men on the bench, men who understand our needs on the judicial bench safeguarding our legal system the law enforcement community from those who abuse the system.

May 15 is police memorial week and if you are planning to be out of town remember to apply for your absentee ballot and don't forget to vote during this important primary election. There is strength in numbers and all police officers should be first in

Fraternally yours,

Henry J. Wiehagan, President
 County of Allegheny, F.O.P. Lodge #91
